

I am humbled, grateful and excited to accept the position of Children's Minister at Georgetown First United Methodist Church. Connecting with children and their families and sharing the love of Jesus will be my main focus at Georgetown First.

As many of you know, I have two children. Charlie is 17 years old and attends Scott County High School. He is a football player for Scott County and a lifeguard at Scott County Parks and Rec. Madison is my second child, and she is 14 years old. She also attends Scott County High School and will be a freshman this year. She is on the high school dance team and plays softball. I can't wait to see them both on the football field together this year! We were a military family for 20 years and have lived in several different states, California, Texas, North Carolina and Kentucky.

My music education at The University of Kentucky lead me to work with children in private voice lessons and theatre groups in Georgetown KY. I was lead to take on the role of the director of the Christmas play at Georgetown first and with that experience I learned so much and developed a passion for working with children and sharing Gods love with them. I am so excited to combine my experience with music and love for children into this ministry.

I am grateful for this opportunity and can't wait to connect with each and every one of you!

Much love! Kristina Skibo
